OSENI, RASHEEDAT MOTUNRAYO

Nigeria. | +2349079482696 | Linkedin | Osenirosheedat2017@gmail.com

Profile

Data Analyst with a B.Sc. in Statistics and hands-on experience in data cleaning, transformation, and interactive dashboard creation using Power BI, Power Query, Excel, and SQL. Proven ability to turn raw datasets into clear, actionable business insights. Highly analytical and fast-learning, with growing technical proficiency in Python and R, ready to support data-driven decision-making.

PROFESSIONAL EXPERIENCE

SWYNEX Technologies — Data Analyst Intern | Remote / Project-Based | Sept. 2026 – Oct. 2026

- Participating in a 30-day project-based Data & AI internship involving structured data analytics assignments.
- Working with public datasets to prepare data for analysis and reporting.
- Cleaning and transforming datasets and using the cleaned data for practical analysis tasks.
- Developing interactive dashboards using Power BI and presenting data in a clear, decision-friendly format.
- Submitting project work for review based on quality and timely completion.

Ladoke Akintola University of Technology (LAUTECH) Assistant Secretary, NYSC | 2023

- Supported departmental administrative operations and maintained records and correspondence.
- Arranged departmental files and documents for dispatch to relevant offices.
- Assisted with scheduling and kept the Head of Department informed of weekly tasks.
- Supported other departmental staff with assigned administrative activities.

Shuaib Alaye Memorial Nursery & Primary School — Classroom Teacher | 2022

- Managed student records and supported day-to-day classroom activities.
- Evaluated students' academic performance and communicated progress clearly.
- Encouraged participation, critical thinking and effective communication.

EDUCATION

Kwara State University, Malete, Nigeria | B.Sc. Statistics — 2022 | Second Class Upper
Mobolajoke Model College, Ilorin | SSCE — 2017

TECHNICAL SKILLS

- Microsoft Excel: Data cleaning, data organization, PivotTables, charts, slicers and dashboards
- Power BI: Data import, data transformation, data modeling, DAX measures, visualizations, slicers and interactive dashboards
- Power Query: Data cleaning, transformation and preparation
- Data Analysis: Data cleaning, preparation, validation, visualization, dashboard development and insight communication
- Microsoft Office: Word and PowerPoint
- Google Forms
- R (Basic)
- Python (Basic)
- SQL (Basic)

CERTIFICATIONS

- Google Data Analytics Professional Certificate — Coursera, 2023
- Data Analytics Certification — Simplilearn, 2025
- Data Analysis Training — Cyperdev Technologies, Certificate Pending

SELECTED PROJECTS

- Student Mental Health & Academic Pressure Analysis — Excel and Power BI; cleaned and organized data, created PivotTables, visualizations and interactive dashboards.
- Power Query Data Cleaning & Transformation Project — Excel/Power Query; cleaned, transformed and prepared a dental dataset for Power BI analysis.
- Sales Analysis & Dashboard Project — Excel and Power BI; performed data preparation, modeling, KPI development, visualization and dashboard reporting.
- Additional Data Analysis Project — Applied Excel/Power BI workflow to explore data, identify patterns and communicate findings.
- Café Sales Analysis — Excel, Power Query and Power BI; cleaned and transformed transaction data, conducted exploration data analysis, and developed an interactive dashboard to track sales performance and identify business insights.

CORE STRENGTHS

- Analytical thinking and problem-solving
- Attention to detail
- Clear communication
- Ability to work independently and collaboratively
- Willingness to learn and adapt to new tools and workflows

LANGUAGES

- English — Fluent
- Yoruba — Fluent

HOBBIES

Reading, writing, traveling and interacting with people.
